

CAVALRY SOLUTIONS™

PRESS RELEASE

Title: Cavalry Solutions Partners with PAR Government Solutions

Publication Date: 1 March 2006

Syracuse, NY. – Cavalry Solutions, Inc. has officially partnered with PAR Technology Corporation to design the structure of

PAR Government Systems Corporation (PGSC), a PAR Technology Corporation (PTC) subsidiary, is an ISO 9001:2000 certified company. PGSC is comprised of its applied technology development group and Rome Research Corporation (RRC). PGSC supports two primary product lines: applied technology development and information technology services. PGSC's primary customers are the U.S. Government and associated prime contractors.

During more than 30 years of service, PGSC applied technology development group has earned the reputation for producing high-quality technical products ranging from theoretical and experimental studies to advanced system prototypes and operational systems.
