

Title: Cavalry Solutions Welcomes Greg Card – Vice President of Credit Union Services

Publication Date: 31 August 2009

Syracuse, NY. – Cavalry Solutions, Inc. is pleased to announce the appointment of Greg Card to the position of Vice President of Credit Union Services. Greg will be using his substantial expertise within the credit union industry to assist in the development and marketing of specialized products for credit unions.

Greg Card has over 25 years of experience in the credit union industry serving, most recently, as the President and CEO of Syracuse Federal Credit Union. Greg began his career as a police officer in the City of Syracuse. Greg's career path changed when he transitioned from serving the citizens of Syracuse as an officer to serving the officers of Syracuse the head of their credit union. During his tenure Greg oversaw the growth of the credit union from its humble beginnings to an organization with over one hundred million dollars in assets, 9 branches and a membership of over 24,000. Greg also served credit unions as a member of the Board of the Credit Union Association of New York. In 2006 Greg was honored with an induction into the Credit Union Hall of Fame.

After concluding his tenure with Syracuse Federal Credit Union Greg continued his professional path of service – this time as the CEO of SMS Sharenet. SMS Sharenet is a Credit Union Service Organization (CUSO) which provides ATM network services to over 30 member credit unions. Sharing the costs of 90 ATMs across each of the member organizations allows each to provide more ATM locations for their membership than any single one of the credit unions could possibly provide.

Working with Cavalry Solutions, Inc. is just the next step in Greg's service career. Greg's desire to work with Cavalry Solutions is rooted in his desire to aide credit unions address their challenges regarding regulatory compliance and information security. To that end, Greg will work with Cavalry Solutions in the development of an assortment of specialized products – targeting the specific needs of today's credit union industry. Greg will be present at trade shows and exhibits as well as conferences and discussion groups – introducing Cavalry Solutions products and explaining their benefits.
